

Which Key Information Document (KID) applies to me?

Updated November 2023

If you have chosen a Retiready ISA fund, this means you're directly invested in a BlackRock fund. ISA investors will see information that refers to both Retiready Solutions (a brand name) and the BlackRock fund name in statements, illustrations and literature.

The KID aims to help you understand the nature, risks, costs and potential gains and losses of your fund to help you compare it with other funds. It's important that you read these and the fund factsheets before deciding whether you want to invest in any of these funds.

You can see the KID that applies to your fund below:

- [Retiready Solution 2 ISA – BlackRock Volatility Strategy I](#)
- [Retiready Solution 3 ISA – BlackRock Volatility Strategy II](#)
- [Retiready Solution 4 ISA – BlackRock Volatility Strategy III](#)
- [Retiready Solution 5 ISA – BlackRock Volatility Strategy IV](#)

Please remember that the value of an investment can fall as well as rise and isn't guaranteed. There's a chance you may get back less than you invested.

Retiready and Aegon are brand names of Scottish Equitable plc (No.SC144517) and Aegon Investment Solutions Ltd (No. SC394519) registered in Scotland, registered office: Edinburgh Park, Edinburgh, EH12 9SE.
